

WHAT IS THE RTPARK?

Headquartered on the island of St. Croix, the University of the Virgin Islands Research and Technology Park (RTPark) is a specialized Economic Development Organization (EDO) designed to bring investment to the United States Virgin Islands by managing an incentive program and offering other advisory and technical services. It is a public-private partnership between the private sector, the USVI government, and the University of the Virgin Islands.

The primary goal of RTPark is to establish the U.S. Virgin Islands as a premier business destination of choice for technology and knowledge-based firms.

Companies entering the RTPark can set up operations anywhere in the U.S. Virgin Islands, where they will benefit from best-in-class broadband communications services, numerous tax incentives, workforce development programs, and more.

RTPARK BENEFITS

The RTPark's core value proposition is particularly appealing to impact investors who are concerned with both financial returns and contributing to sustainable human development.

CORE VALUE PROPOSITION

- An attractive tax incentive program
- Enjoying the lifestyle of an island paradise
- The opportunity to improve the quality of life in a community small enough that the activities of a single firm can make a real difference.

CLIENT BENEFITS

- 90% reduction in income tax liability for qualifying income
- Access to capital
- Office space for soft landings
- Site selection assistance
- Partnership with the University of the Virgin Islands

TARGET SECTORS

The RTPark utilizes a targeted business development program designed for future growth and dynamism. This effort has identified under-explored sectors in areas where needs are plentiful and potential for disruption is great. Investment projects focused on quality are screened for their likelihood of fit within the U.S. Virgin Islands.

PARTNERING WITH THE UNIVERSITY OF THE VIRGIN ISLANDS

Clients of RTPark are required to make legally binding commitments to the University of the Virgin Islands (UVI). Each RTPark client partners with UVI in two distinct ways:

- Tier 1: Annual Scholarships
- Tier 2: Programmatic Commitment

The RTPark HQ place considerable emphasis on assisting clients and UVI in executing these commitments as this is the primary vehicle through which the RTPark program delivers on its social and economic development mandate.

JOINING THE RTPARK

The RTPark program membership application process is designed to be completed within a three-month timeframe.

RTPARK CLIENT FEES

RTPark Client fees are determined by the size of the company:

- **Initial Certificate Fee:** One-time payment made within seven days of approval of the Park Tenant Agreement by the RTPark Board of Directors.
- **Annual Management Fees:** This fee is a percentage of the client's gross revenue, to be determined in discussions with the RTPark Team.
